ABOUT

Corsica, often called the "Island of Beauty," has long drawn visionaries, artists, and thinkers to its shores. Napoleon Bonaparte, born in Ajaccio, once remarked on the island's indomitable spirit, saying, "I would know my country blindfolded, just by the scent of its soil." Much later, filmmaker Wes Anderson described Corsica as having "a dreamlike quality," with its craggy mountains, shimmering shores, and ancient villages that seem frozen in time. This island is more than a destination; it's a muse. From its dramatic landscapes to its harmonious blend of French and Italian influence, Corsica offers discerning travelers a haven of inspiration. Its untamed allure invites you to explore, dream, and immerse yourself in a setting that has sparked creative brilliance for centuries.

AREAS

BONIFACIO

Situated high in the limestone mountains, this secluded town offers a glimpse into its rich history and stands as a jewel in the south of the island. Enjoy breathtaking views of the Mediterranean and the lush greenery surrounding the citadel. The town seamlessly blends into the stone cliff upon which it rests, while the natural harbor lies beneath the magnificent Bonifacio. As you yacht through the lively port and surrounding waters, admire the stunning vistas of the town's ramparts and the charming streets hidden behind them.

AREAS

AJACCIO

As the capital of Corsica and its largest city, while bearing the title of Napoleon's birthplace, Ajaccio represents one of the most intriguing destinations on the island. Gorgeous promenades and vast squares exude elegance and sophistication within the vibrant city. As you stroll along the stunning old town, lovely narrow streets and exquisite architecture elevate the experience of your luxurious getaway. Numerous boats and yachts adorn the beautiful harbor area, emulating the atmosphere of the famous Cote d'Azur.
