ABOUT

For some, Jackson Hole needs no introduction, for others, it comes as a revelation. Bisected by the Snake River and nestled between the Teton and Gros Ventre Mountain ranges, Jackson Hole is the name for the monumental valley in northwest Wyoming, bordering Idaho. The term “hole” was used by early trappers or mountain men to describe a high mountain valley with Jackson being the only town incorporated into it. Jackson Hole never ceases to inspire – from snowed-in adventures to midsummer escapades. A pioneering region of nature conservation efforts, Wyoming’s glorious alpine ecosystems and savage beauty remain unspoiled, attracting record numbers of luxury travelers in recent years. Jackson Hole’s supernatural landscapes offer the ultimate background for exhilarating, curated experiences. Whether heli-skiing, rafting, via ferrata(s), art collecting, or getting up close and personal with apex wildlife, the Teton Rockies are an unmatched playground for unforgettable journeys.

From playing host to the Jackson Hole Fall Arts Festival, the premier cultural event in the Rockies, wildlife photography and plein air paintings to modern sculpture and sophisticated jewelry, Jackson Hole is much more than a ski resort. Rekindling the eternal Americana spirit of adventure, Jackson Hole reconciles ragtag cowboy charm with a sublime infrastructure sure to please the most discerning clientele. The authentic, spirited, and distinctive Western mountain character, once the seasonal homeland of Indigenous American – then mountain men and homesteaders – Jackson Hole blossomed into a popular destination for adventure-seekers in all seasons.

AREAS & RESORTS

Most people know this area in Wyoming simply as Jackson Hole, referring to the pioneer days. Trappers used the valley as a winter home to escape the bleak and barren peaks of the Grand Tetons. Today, those same peaks are sought out as refined recreational destinations for the desirable combination of great skiing and genuine country amenities. Each of the three area ski resorts offers something different, but all promise plenty of amazing skiing/snowboarding and extra activities, too! Whether you are looking for steeps, chutes, groomers, or secret powder caches; whether you snowboard, cross country, alpine, or telemark ski; Jackson Hole Wyoming ski resorts offer experiences for every snow sports enthusiast. Whether you want the convenience of “walking distance” skiing, some of the most challenging slopes in America, or a no-frills, laid-back atmosphere, you can find it here.

A VISIT TO JACKSON HOLE WINERY

Jackson Hole Winery was founded in 2009 when Anthony Schroth, a winemaker based in both California and Wyoming, came up with the maverick concept — to explore the benefits of making wine at high altitudes. Jackson Hole Winery sits at the base of the Grand Teton Range at 6,229 feet and is one of the highest-altitude wineries in North America. Today, the winery produces about 4,000 cases of wine made from premium grapes grown by the winemaker Anthony Schroth in Sonoma County, California. Upon harvest, the grapes are transported immediately to Jackson Hole, where they are crushed, fermented, pressed into the wine, and left to barrel age. The cool alpine air slows fermentation and aging, cultivating distinctive personality and potent aromatics, resulting in award-winning wines with 18% less oxygen. Tasting tours are by appointment only.

JACKSON HOLE RODEO

Rodeo has been a part of Jackson Hole's cowboy culture since the first settlers arrived more than 100 years ago. Attending the Jackson Hole Rodeo is a favorite way to experience a tried and true Western tradition. Your vacation is not complete without experiencing the legendary rodeo. See authentic cowboys ride bucking broncos; testy, mighty bulls; barrel races, and calf roping – among other competitions – every Wednesday, Friday, and Saturday evening throughout the summer to Labor Day.

GRAND TETON MUSIC FESTIVAL

Classic music lovers find a welcome home in Jackson Hole with summer in full swing. The annual Grand Teton Music Festival lasts for seven weeks, from July to Mid-August, with visitors and residents treated to fantastic performances at the Teton Village concert hall and in glorious natural settings. Running for more than half a century, this is one of the west's most highly anticipated cultural events attracting the most promising classical musicians from all four corners of the globe. This beloved festival has established Jackson Hole as a fantastic travel destination and an internationally recognized musical hub.

THE JACKSON HOLE MARATHON

The Jackson Hole Marathon races cover the best of the Jackson Hole Valley and finish at the base of the Teton Mountain Range in Teton Village. The Jackson Hole Marathon starts at the historic elk antler arches on Town Square and spends the first few miles winding past the National Elk Refuge and through neighborhoods before you are out of town and headed into the more rural areas or open spaces of Teton County. The course loops through the quaint-quirky town of Wilson, and then you're heading north toward the Grand Teton and the Finish Line. You are in for a nice treat as you need to cross the Snake River and enjoy some of the best views of the day. If the altitude doesn't take your breath away, the scenery certainly will!

There are more than 30 mounted skeletons to view in the hall of dinosaurs, and the walk-through time has more than 200 displays and dioramas. The center’s resident rock star is Jimbo the Supersaurus. This 106-foot-long sauropod found near Douglas, Jimbo, is the largest, most complete Supersaurus ever discovered. However, the crown jewel is the Thermopolis Specimen Archaeopteryx — thought to be the first true bird — in the entire world. There are only ten known specimens, and this is the only one on display in North America.
