ABOUT

Famous for its minimal Cycladic architecture, Mykonos is full of traditional whitewashed houses and is home to Greece's iconic blue-domed church. However, the island's trademark is the beautiful authentic windmills in front of Little Venice, where you can enjoy a magical sunset and capture the colorful light washing over the island's main town, Chora. Being in the center of the Cyclades group, Mykonos is the most prominent for its cosmopolitan atmosphere and vivid nightlife. It's widely regarded as the "Ibiza of Greece."

Chora, the island's main town, serves as its beating heart. Awarded restaurants, designer boutiques, and top clubs bedeck its cobbled streets. Of considerable international repute and cachet, Mykonos delivers a cosmopolitan and worldly atmosphere as a coveted summer destination with the seaside serenity of pristine, sandy beaches.

AREAS

[Table of Contents](#)

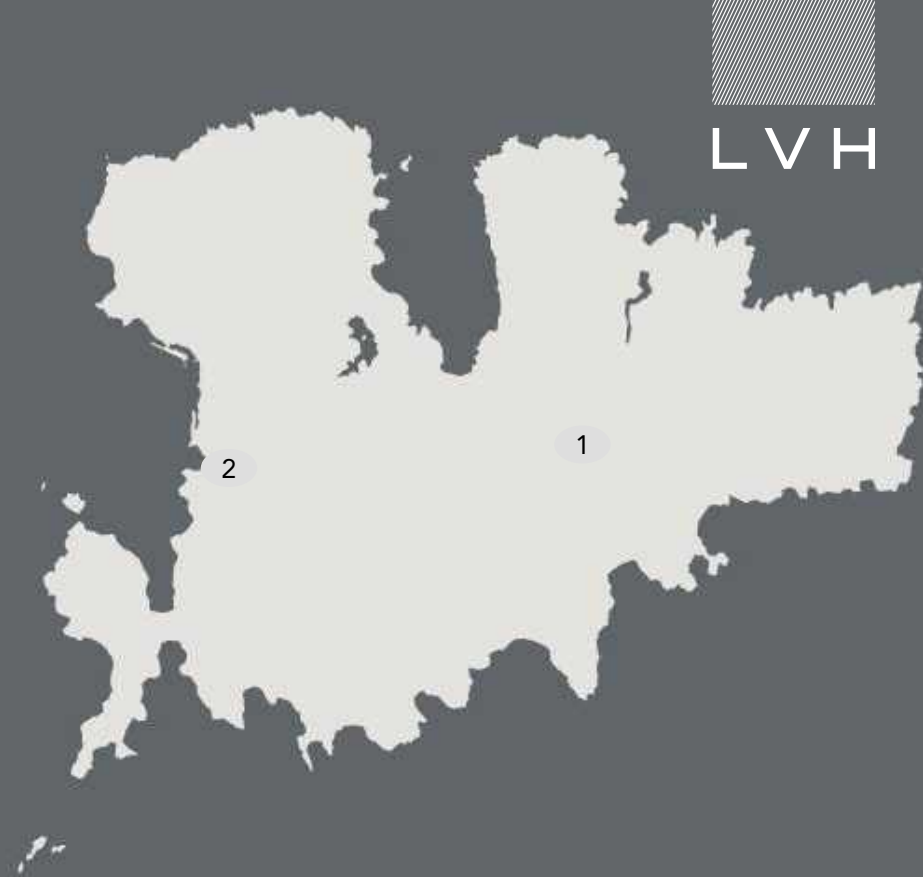

Mykonos may be among the smallest of the Hellenic islands, yet it is the first destination travelers think of when the Aegean Sea is mentioned. Considered the quintessential Greek island, Mykonos is considerably barren with a striking topography imbued with fantastic intrigue. Mythology says Mykonos is where Hercules buried his vanquished giants! Its humble 33-square-mile area is scattered with small tourist hamlets like Chora (Mykonos Town) and Ano Mera. The urban bustle of the island stands in stark contrast to the quiet pastoral ambiance of Ano Mera. Between the towns, set your sights on stunning 16th century windmills perched atop the hills!

AREAS

1. Ano Mera
2. Chora

ANO

Ano Mera is a small town almost precisely in the center of the island. Away from the coast, a visit here is a trip to the rural heart of Mykonos. It's a different scene from the sandy beaches and resorts of the coast and is about as authentic a town as you'll find on the island. Those looking for a party might look elsewhere, but those looking for charming local eateries, laid-back cafes, and idyllic, rural scenes should absolutely call in at Ano Mera.

MERA

CHORA

Mykonos' charming capital Chora, also known as "Mykonos Town" or "Hora," is mostly a pedestrian network of narrow streets with cubic whitewashed houses. It's essentially a traditional Cycladic village, with bougainvilleas, petite white churches, and picturesque windows, doors, and porches. Main attractions are Little Venice and Old Fort.

Dining on Mykonos is an all-day affair. The invigorating scent of the Mediterranean and an arid landscape lend themselves well to amazing regional dishes. The catch of the day has a different meaning here, with local squid and octopus served within an hour of being caught.
