# ABOUT

Punta Cana resort town, crowns the easternmost tip of the lushly jungled Dominican Republic, in the Higüey municipality of La Altagracia Province. Like an arrowhead, it strikes the meeting point of the Atlantic Ocean and the Caribbean Sea. Being blessed with one of the Caribbean region's longest white-sand, palm-fringed "coconut coast" elevates Punta Cana into the realm of stunning Caribbean retreats. Its natural beauty in an idyllic setting, warm turquoise waters, golden and white sand beaches with swaying palms gives a perfect backdrop for activities such as surfing, paddle boarding, ziplining or horseback riding. On the other hand, luxurious and secluded vacation rentals and resorts make a compelling case for doing nothing at all. In addition, the authentic, heart-warming hospitality of the Dominican people makes it a fantastic island retreat.

Delectable restaurant offerings, luxurious marinas, superb beachfront properties with ultra-indulgent spas and upbeat, yet relaxed island vibes, are at your choosing. For most people, the Dominican Republic, or "the DR" as it is commonly known, brings to mind merengue, major-league sluggers and windswept fairways with Caribbean views. But it's not only about the fun in the sun, soft sand brushing against your toes and iridescent, clear water. Punta Cana is also a golfer's destination with 10 courses along the strip. Deep-sea fishing and diving for marine life and sunken ships all add to Punta Cana's prestige. The Dominican Republic was ranked the No. 1 destination in the Caribbean by *TripAdvisor's Travellers Choice 2021* and deservedly so.

## BAVARO

If you want to leave the resort on your own to shop or just walk around without renting a car, it is best to stay in the Bavaro area, particularly the Los Corales or El Cortecito neighborhoods. With shopping malls, town plazas with various shops and bodegas, Playa Bavaro is the most popular, developed, and populated beach and resort area in Punta Cana, with tourists and locals indulging in the plethora of activities and amenities. While being one of the most sought-after beaches, Playa Bavaro remains pristine with its palm trees, powder-white sand and little nooks where you can carve out some privacy. Parts of the beach have been awarded Blue Flag status and the offshore reef provides protection. That reef is located just off the coast and is famous among divers and snorkelers. Los Corales is Bavaro's upscale neighborhood and a luxurious beach within the town. The architecture is mostly Mediterranean with outstanding sea views, abundant palm trees and white powdered crystal sand. This charming corner of the world offers fine dining, spas, beauty centers, excursions, and all kinds of activities.

## PUNTA CANA

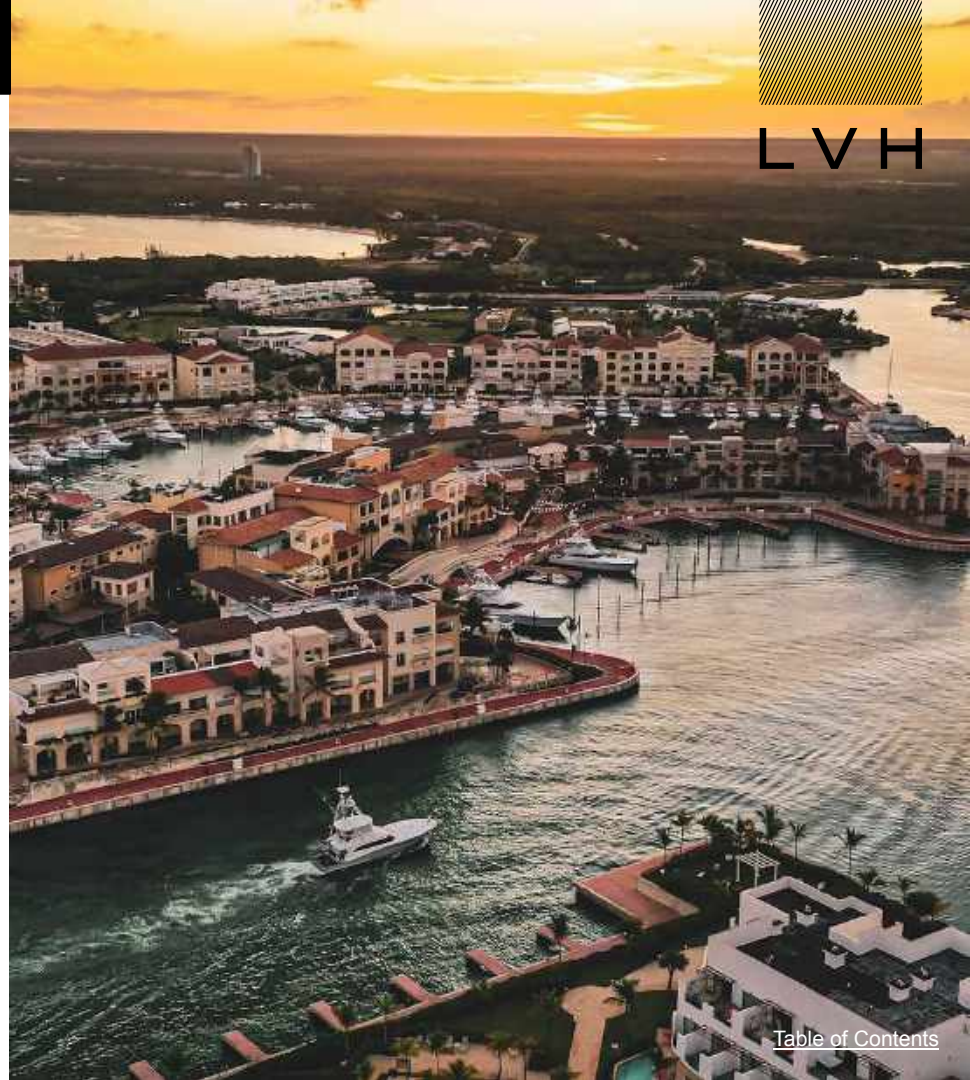

This Caribbean's premier golf and beach resort destination, located in the unspoiled habitat of Punta Cana, offers a top-notch vacation experience and accommodations. Fifty years ago, Puntacana was envisioned by Frank Rainieri, the chairman and founder of Grupo Puntacana, as the ultimate beach and golfing experience in the country. With three miles of magnificent white sand beaches, 45 holes of championship golf, he got it right – making it a golf mecca set on 15,000 acres of land. The area is also home to Six Senses Spa, two championship golf courses, an ecological reserve with 15 natural springs, a full-service marina, several restaurants, a shopping village with the modern Punta Cana International Airport (PUJ).

## CAP CANA

Cap Cana is in the heart of the Caribbean, on the eastern shores of the Dominican Republic. This exclusive real estate and hotel tourist enclave is recognized as among the best in the Caribbean. The neighborhood is home to luxury properties, such as Eden Roc at Cap Cana, Sanctuary Cap Cana, and AISol Tiara Cap Cana. The area, spanning more than 6,000 acres, also shelters the ritzy Punta Espada Golf Course, its marina, equestrian center and eco-park. However, the epicenter of Cap Cana is its state-of-the-art marina. A perfect place to begin your day of adventures – to go sailing on your yacht, tour the beautiful shores of the Dominican, fish and explore the treasures of the DR. The Cap Cana Marina has more than 150 slips, accommodating up to 150-foot yachts, with complete services for captains and crew. Its coastlines are considered by the *Billfish Report* to be the No. 1 spot in the world for fishing and deep-water diving. The marina has been the scene of world-famous fishing tournaments and has become a popular destination among those who enjoy record-breaking fishing.

## PLAYA ESMERALDA

Playa Esmeralda is a true hidden gem in the extended area of Punta Cana, in Miches. Until recently, it was one of the most remote beaches in the country, but it got better accessibility with Club Med luxury all-inclusive eco-resort, which opened in 2021. It is still a gorgeous stretch of beach, resembling what you would imagine is like being stranded on a deserted island. When you visit, you will most likely be on your own, so enjoy having this paradise all to yourself. On your way to Playa Esmeralda, you can make a stop at Montaña Redonda, a hill with spectacular photo opportunities, thanks to its giant swings right at the edge of the mountain.

## MACAO BEACH

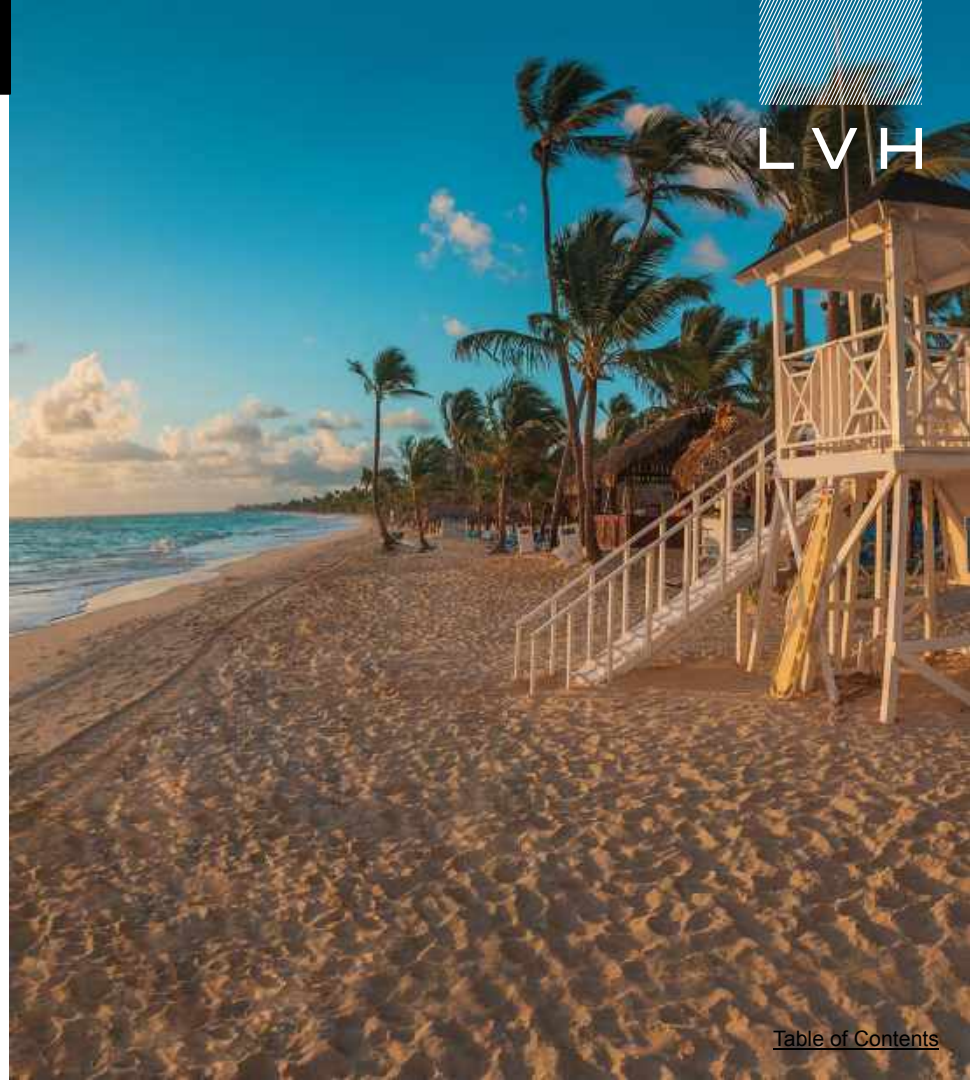

Easily one of the Dominican Republic’s top-five most stunning beaches, the mega-wide, brilliant blonde, palm-tree studded Playa Macao is a surfer’s favorite. The beach is on the northern end of the Punta Cana region and is known for its swells and trade winds. On-site surfing classes of all levels are available year-round, particularly on weekends. Macao Beach made it to the “*Best Beaches in the Caribbean 2020*” list by TripAdvisor’s *Travellers Choice Best of the Best*. Sink your toes into the fine-grain sands, dip your feet into the clear, tepid water and if you work up an appetite in the waves, pick up a snack at one of the local food stalls; the freshly caught fish or lobster are prepared right in front of you while you wait. The main beach of the area, Playa Macao, gets praises for its natural beauty, remaining mostly wild and free of development. UNESCO declared it one of the top beaches in the Caribbean.

## PLAYA BAVARO

The most beautiful stretch of beach in the Punta Cana area is undoubtedly Bavaro Beach, just north of Punta Cana. The calm Caribbean waters are perfect for swimming or wading. The color of the water is typical Caribbean turquoise to an aquamarine hue that stretches out well beyond the roped-off swimming area to the protective reef in the distance. The beach stretches for miles, more than perfect for endless beach walks.

# BEACHES

## PLAYA BLANCA (“WHITE BEACH”)

Part of the Puntacana Resort & Club, Playa Blanca is a water sports hub with good food and beachside relaxation. The beach is available to anyone dining at the famous, on-site Playa Blanca Restaurant. Try your hand at kitesurfing, stand-up paddleboarding, or sign up for a diving and snorkeling excursion nearby. Every year, Playa Blanca hosts an annual Kite Fest, when the beach turns into one big celebration with visiting kite surfers from around the country performing impressive stunts.

## PLAYA JUANILLO (“JUANILLO BEACH”)

Often ranked as one of the best beaches in the Dominican Republic, Playa Juanillo offers miles of pristine, powdery white sand beach flanked with gigantic palm trees and turquoise water. The contrast of Caribbean colors is so sharp that the entire scene looks like a billboard commercial. Beach activities such as volleyball, snorkeling, kayaking and kiteboarding are also popular here thanks to excellent wind conditions. Then again, doing nothing except floating on Juanillo’s crystal clear water is also perfectly fine.

## WHALE WATCHING IN SAMANA BAY

The whale watching season 2022 in the Dominican Republic is approaching. Every year, Humpback whales visit the warm waters in search of a comfortable and safe place to mate and give birth to their calves. They start arriving in Samana Bay and Banco de la Plata, in Puerto Plata, from **Jan. 15** and stay until the end of March. It is one of the not-to-miss highlights in the entire Dominican Republic. You can book a whale-watching experience as an air tour by plane. The excursion combines the best of both worlds: flying from Punta Cana to Samana in a small propeller airplane and watching gigantic Humpback whales as they mate or give birth. Furthermore, you can spot the whales with a success rate of nearly 100% – and usually, you see not only just one, you see pods.

## **AIR TOUR TO SAMANA PENINSULA TRIP TO ISLAND CAYO LEVANTADO**

Not only can you go on helicopter tours, but you can also explore some of the most notable highlights in the Dominican Republic on an airplane excursion from Punta Cana. Experience beautiful views from above over the east coast of the Dominican Republic and the Samana Bay. The air tour to Samana includes beautiful attractions the peninsula offers, like the lush countryside with the picturesque waterfall El Limón and the famous island Cayo Levantado, aka Bacardi Island. The alias originated after a Bacardi commercial filmed here in the 1970s. The small, picturesque island of Cayo Levantado sits just five kilometers (three miles) from Samana Bay and boasts brilliant white sand and palm-fringed beaches. Spend the day swimming, sunbathing, kayaking or paddleboarding. If a day is not enough you can also stay overnight at the on-site hotel.

## **AIR TOUR TO SAMANA PENINSULA**

### **HORSEBACK RIDE TO SALTO EL LIMON**

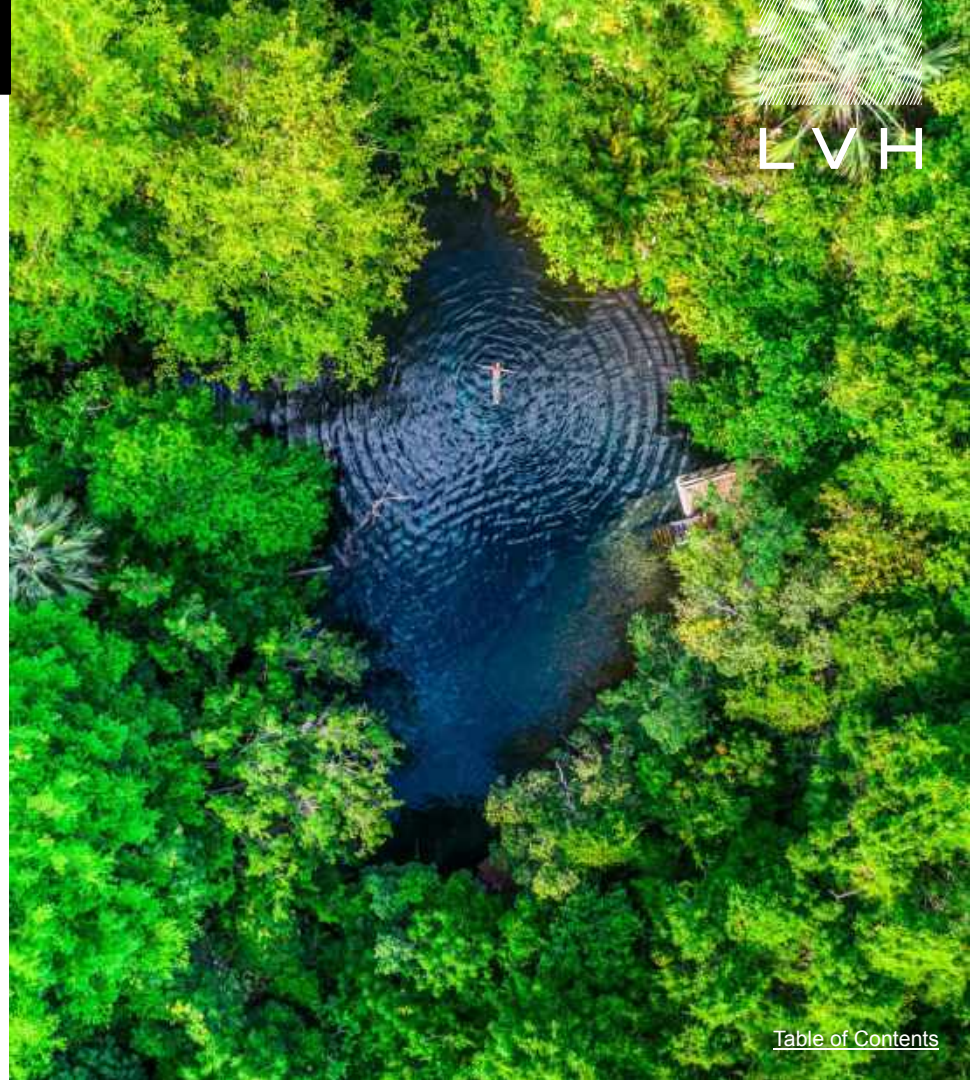

Once you hit the ground on the Samaná Peninsula, a jungle trek on horseback to the Salto El Limon (Lemon Waterfall) is one of DR's to-do activities/adventures. The Salto El Limon is a 170-foot cascading waterfall ending in a swimming hole. A guide will lead your horses through a sleepy village, up the steep and rocky paths, through dense forest and across a river, and the reward is a refreshing dip in the cool water.

## INDIGENOUS EYES ECOLOGICAL RESERVE

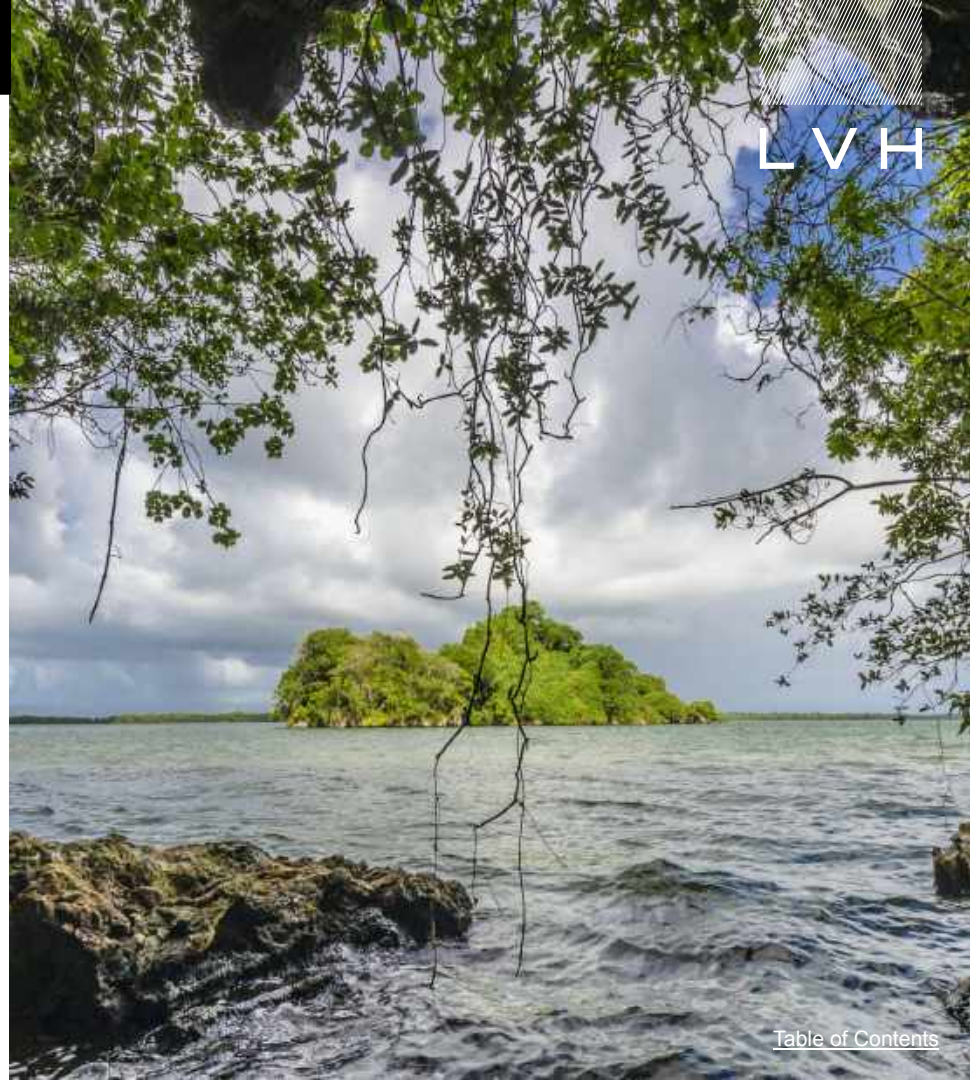

Located inside the exclusive Puntacana Resort & Club complex, this 1,500-acre nature reserve and ecological park is open to the public to enjoy its enchanting, shaded hiking trails that wind through a lush tropical forest leading towards a series of 12 freshwater lagoons. The most popular lagoon for swimming has a wooden deck and a diving platform for those who wish to leap into the turquoise and emerald fresh waters.

## LOS HAITISES NATIONAL PARK BIRDWATCHING AND WILDLIFE EXPLORATION

Los Haitises National Park offers a fabulous day out in nature, with sightings of endless mangroves, secluded islands, mystic cloud forests, spectacular views and lush bays. If you watch close enough, you might also spot fantastic wildlife such as frigate birds, manatees and pelicans. Los Haitises is home to two endemic species for passionate birdwatchers, the Ridgeway Hawk and the Ashy-Faced Owl. The national park can be explored as part of guided hiking or bird watching tours, by boat, by kayaking through the mangroves and even (partly) from the air, by ziplining. Certainly among the biggest attractions in Los Haitises are many historic caves where the old native inhabitants, the Taínos, lived and protected themselves many centuries ago.

## PLANE EXCURSION TO SANTO DOMINGO

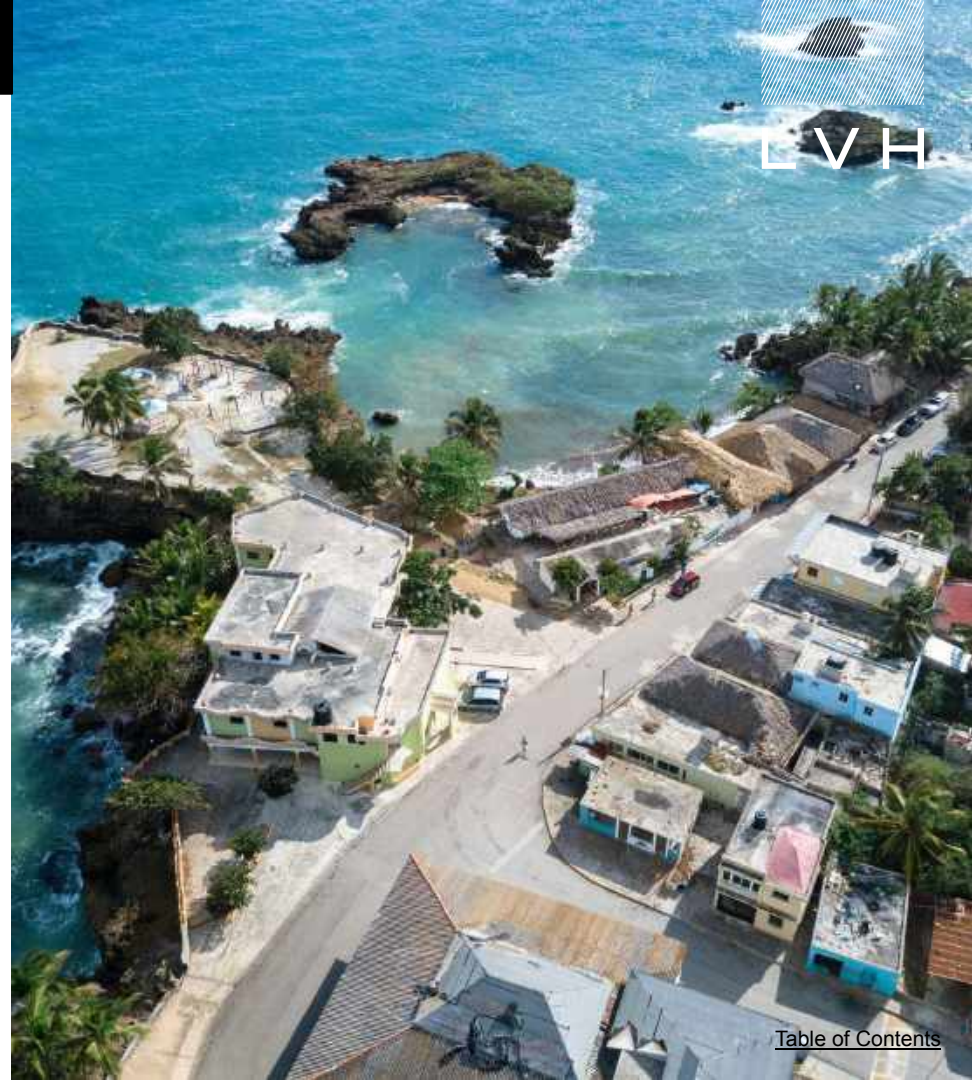

Santo Domingo, the capital of the Dominican Republic, is a bit more than two hours away from Punta Cana by car but a quick 35-minute flight. While the city itself is a chaotic, loud and gigantic Latin American metropolis, it features a particular district, the “Zona Colonial,” awarded UNESCO world heritage site. The historic center of the city with its ancient cobblestone streets, centuries-old colorful buildings, the colonial charm of the architecture of historical importance and creative art scene is a place not to miss in Santo Domingo and one of the top highlights in the entire Dominican Republic. Considering this unique way of experiencing history it is worth the journey from Punta Cana.

## EXPLORE BOCA DE YUMA

Less than an hour south of Punta Cana, Boca de Yuma offers a daytime escape to a scenic Dominican fishing village. It has often been compared to an Italian seaside town, where restaurants, bars, and shacks line up above the sea and offer panoramic cliff top views. The pace is slow and charming, and if you stare at the water long enough, you can almost imagine the time when pirates and explorers once roamed Boca de Yuma's Caribbean coastline. Spanish explorer Juan Ponce de León had a home in the area, now a museum, and from Yuma River launched his expeditions to the Americas in the 16th century.

## COTUBANAMA NATIONAL PARK

You can hike the land portion, accessible from Bayahibe village, to explore a handful of the park's caves and fresh water springs along marked trails of varying difficulty or go birdwatching. Snorkeling and diving sites are numerous along colorful coral reefs and steep walls teeming with sea life.

Don Lucas's cigars have won multiple awards over the years and you can pick up a box at an on-site shop to take home.

## HELICOPTER TOUR TO ISLA SAONA

Isla Saona is where paradise awaits! It might even be the most picturesque and gorgeous spot in the Dominican Republic. The exciting air excursion from Punta Cana allows you to see the spectacular Isla Saona in the shortest amount of time. Saonas' beaches are simply awe-inspiring and it is an important turtle-nesting site in the Dominican Republic. Seeing the beaches from above during a helicopter tour from Punta Cana to Isla Saona is like icing on a cake.
